OPERATIONS DIRECTORATE SUPPORT OFFICERS MEETING

7 August 1974

1. Items of interest from the DDO Staff Meeting - 7 August 1974

Mr. Nelson indicated that the budget squeezes are still with us. Specific funding levels should be available in a week.

Mr. Blee will be Acting DDO effective 10 through 18 August.

2. Administrative Allowance Committee. The AAC will be audited by the Audit Staff in the near future. We do not know what form the audit will take, or whether it will involve a review of NOC activities in the Divisions, but we will pass along information as we receive it.

3. Retroactive Pay Increase. The Office of Finance still hopes to distribute, in the near future the first checks for the retroactive pay for the three-month period in 1972. However, one complication has arisen. [redacted] 25X1C

[redacted] Employees in this category should be advised that they should not spend the funds when received since they will obviously have to refund it. There are relatively few people in this category and the Office of Finance will contact each of them individually to give repayment instructions.
